GroupOne Services, Inc. achieves Certified Integration with HealthcareSource Position Manager

Irving, TX – GroupOne Services, Inc. a leading healthcare background screening company, is now a Certified Integration Partner with HealthcareSource, a leader in [talent management solutions](#) for healthcare.

“GroupOne Services is committed to improving the background screening process for GroupOne and HealthcareSource clients with its Position Manager applicant tracking solutions. Being a Certified Integration Partner allows us to ensure a more efficient entry system for those clients. It simplifies the on boarding process” said Eric Scott, vice president of GroupOne.

The benefits include:

- Decrease in turnaround time
- Reduction in errors
- Automated progress notification
- Elimination of dual data entry

“Benefits like better turnaround time and reduction of errors are key to any client. This allows our clients to capitalize on streamlining the process, so they can focus on other Human Resource functions. In addition, there are no integration fees to the client. They get a better solution with no additional expense.” Scott added.

“We are very pleased to be a Certified Integration Partner with HealthcareSource and look forward to partnering with their professional team” said W. Stephen Love, president of GroupOne.

- GroupOne is a licensed private investigative company providing full service pre-employment background screening exclusively for healthcare as a consumer reporting agency. GroupOne is staffed by experienced professionals serving more than 600 healthcare organizations ranging from large hospital systems to small staffing services. The company researches and verifies applicants' backgrounds, processing more than a hundred thousand requests a year.

[HealthcareSource](#) is the leader in talent management solutions for healthcare, used at over 1,000 healthcare facilities. We help healthcare organizations acquire, develop and retain the best workforce possible in order to maximize the quality and efficiency of patient care. HealthcareSource Software-as-a-Service solutions include applicant tracking, onboarding, performance management and the leading healthcare Internet job board. We focus exclusively on healthcare, are an established and financially strong company, and have 98%+ customer satisfaction and retention. Learn more: www.healthcaresource.com.

GroupOne Services, Inc. offers a background screening service that was developed to provide a safe environment for patients and staff, and to reduce the turnover rate and employment law actions. GroupOne offers its services exclusively for the healthcare industry. Since its origination, GroupOne has expanded its client base from just the Dallas-Fort Worth area to nationwide.
