GroupOne to participate in THA Annual Conference

IRVING, TX – GroupOne Services, Inc. will have a booth available during the 2011 Texas Hospital Association’s (THA) Annual Conference, Feb. 2-3 at the Austin Convention Center. With more than 100 participants and 35 speakers, the event promises to cover all aspects of Texas healthcare.

“THA’s Annual Conference is an event we enjoy participating in,” said Eric Scott, vice president of GroupOne. “It’s a great way to spread the word on GroupOne’s excellent healthcare background screening, in addition to the other services we provide healthcare providers.”

Located at booth #314, GroupOne staff members will be present throughout the event to explain the advantages of its services including pre-employment and background screening, employment and education verification, county criminal research, federal criminal research, multi-state criminal/sex offender database checks, statewide criminal database checks, professional license/certification verification, employment verification, education verification and Social Security number verification. There will also be opportunities for free giveaways.

Partnering with Texas Healthcare Trustees, the Texas Association for Healthcare Financial Administration and the Texas Organization of Nurse Executives, THA’s Annual Conference is expected to meet the needs of more healthcare professionals than ever before. Speakers include Dr. Len Nichols, Dan Clark and Dick Pettingill. For information on the conference, please go to www.tha.org.

For additional information, contact GroupOne at 972-719-4208.

GroupOne offers a background screening service developed to provide a safe environment for patients and staff while reducing turnover rate and employment law actions. GroupOne offers its services exclusively for the healthcare industry. Since its origination, GroupOne has expanded its client base nationwide from the Dallas-Fort Worth area.
